Dear Parent/Guardian(s)

As you are well aware, the time for Year 10 students to make their Year 11 and 12 subject selections is fast approaching. Important information has already been discussed with the students.

On Wednesday 5th August, Year 10 parent/guardian(s) and students are required to attend an Information Session at the Vermont South Campus where a great deal of important information about VCE and VCAL (Victorian Certificate of Applied Learning) will be discussed. Staff will be in attendance on this night with information displays about various subjects on offer.

The Year 11/12 Subject information is available on the College website.

Subject displays will be open for parents and students to attend either before and / or after the formal part of the Information Session. A summary of the evening is below:

<table>
<thead>
<tr>
<th>Time</th>
<th>Year 11 2016</th>
</tr>
</thead>
<tbody>
<tr>
<td>7.00pm</td>
<td>Subject Displays open in the Senior Learning Centre</td>
</tr>
<tr>
<td>7.30pm - 8.00pm</td>
<td>Information Session in the Tony Frizza Stadium</td>
</tr>
<tr>
<td>8.00pm – 8.45pm</td>
<td>Subject Displays open in the Senior Learning Centre</td>
</tr>
</tbody>
</table>

The final stage of the selection process is the Subject Selection Interview with Mr Merrick or Mr Simmons. Each student and their parent/guardian(s) attend an interview with one of our two Careers Counsellors to make subject/course selections for Year 11 and 12. This interview can be booked through Parent Teacher Interview tab on the Parent Portal which is accessed via our website. Information regarding the procedure to make these bookings will be emailed next week.

Due to the importance of the Subject Selection Interview, appointments on some evenings are available.
If you have any questions about any of the above information, please do not hesitate to contact me at the College.

Yours sincerely

Dr William Keane
Assistant Principal
Teaching & Learning

Mr David White
Assistant Principal
Staff & Administration
