## Emmaus Alumni

---

### **Why Alumni?**

Today, all students current and past form a bond based on where they come from. By keeping a connection with the past we can build on the future. Many students develop friendships and memories during their school days that carry them into adult life. Chavoin College, More College and Emmaus College have flourished and struggled at different times. All have agreed aims to foster a spirit of Catholic citizenship. Many of the traditions of Chavoin College and More College live on at Emmaus College in the awards given, the House names, some of the liturgies and prayers. Some staff from More College remain at Emmaus College. A number of our current parents are former students of Chavoin, More and Emmaus Colleges. Therefore, an alumni is your opportunity to continue a relationship with the College and to remain in contact with former classmates.

### **Why an Emmaus College Mailing List?**

Are you registered on our mailing list? We need more than your address for our records. The information you provide will be used to develop a list of past students for historical purposes as well as keeping you informed of coming events, reunions etc. We need to know the years you attended, maiden name etc. Remember to advise us if your contact details change.
