I understand that having and using my phone **is a privilege**. My phone privilege can and will be restricted or taken away if I violate the rules of this contract.

I will **not answer calls** from people if I do not recognize their phone number.

I understand that downloading games, apps and ringtones can cost money on top of the regular phone bill, and that they may contain viruses that put my phone at risk, so I will **ask for permission** to download first.

I will **not post personal info**, private photos, my location or other sensitive info online from my phone that could compromise my **safety & privacy**.

I will not send text messages, talk, or make downloads on the phone **after \_\_\_\_ pm**.

At \_\_\_\_ pm, I will \_\_\_\_\_.

(e.g., plug the phone in the kitchen charging station, give the phone to my Mom or Dad, etc.)

I understand that I am responsible to know **where my phone is** and for keeping it in **working condition**. If I break or lose my phone, I will have to \_\_\_\_\_.
