RESOURCE LIST

Your teachers recommend that you purchase your novels now for reading during the holiday period.

Please remember to not re-order these products on your main resource list.

Close textual analysis requires multiple readings of set texts.

To facilitate this, students are required to read all of their set texts at least once over the December/January holiday period

As passage analysis requires the close reading and discussion of set passages, students should have the editions of the texts that are indicated on the resource list.
