

25 March 2021

Welcome to Emmaus College.

We trust that you find our Open Day informative and enjoyable.

We are proud of our school, with our students being our best advertisement.

Feel free to view as many College facilities as you can, learn more about our great programs and meet our highly committed and professional staff.

There are three 30-minute Information Sessions that I will be running in the Tony Frizza Stadium:

4.15pm | 4.45pm | 5.15pm

These focus on what to look for when choosing a secondary school, and reasons for why you should give serious consideration towards making Emmaus your number one choice.

Water and refreshments are available around the school to keep you hydrated and nourished while on your tour.

Thank you for taking the time to visit Emmaus and best wishes in your decision-making process.

With every blessing,  
Ms Karen Jebb  
Principal

*For further information please contact  
Mrs Alberico, College Registrar on 9845 3209
