Dear Parent/Guardian,

Welcome to Emmaus College and the “Emmaus Journey” that your child now commences. An Emmaus education is a prized possession which only comes with mutual commitment to Catholic and Emmaus ideals. It calls for active student and parent/guardian participation.

In taking up an Emmaus education for your child, you are accepting an ethos and a set of guidelines which underpin that ethos. Expecting a safe and disciplined environment on the one hand but with the “exception” of your child having to obey this or that rule simply will not work. Consistency between home and the chosen school is everything.

Emmaus emphasises the importance of being at school – absent only when genuinely sick and needing to be absent or scheduling medical and other appointments outside of school.

Parents/Guardians need to select a school which will closely match their own values and expectations. I hope that in accepting an Emmaus education, you have recognised these elements:

- **CATHOLIC:** The school is supported by our Regional and Priority Parishes, and importance is attached to prayer, religious education classes, sacrament, service, teachings of the Church and participation in parish life.
- **CARE:** Emmaus is committed to the growth of the whole person including one’s self-esteem, relationships with others and self-discipline.
- **CURRICULUM:** Each student is to aim and settle for nothing less than their personal best, whatever the grades they achieve. Attention to schooling, including priority for home studies, is required.
- **CO-CURRICULAR:** From the concern for the whole person, and in the Emmaus tradition, is an expectation on all students to take an appropriately active part in our co-curricular provisions – Christian service and spirituality, community, and leadership, cultural and educational, sport and outdoor.

The next six years will pass very quickly, and there will be enormous changes as your child moves through to adolescence, and even adulthood. Our partnership and working together will be crucial. Never hesitate to communicate your concerns, successes and hopes to myself or other appropriate people in the College.

Yours sincerely,

Karen Jebb
Principal

NOTES ON WEARING UNIFORM

Correct, properly fitted, tidy and well-maintained uniforms should always be worn by students at every level. Where uniforms are poorly fitted or in obvious need of replacement, House Leaders will inform students and parents/guardians. Parents/Guardians are required to make the appropriate alterations or purchase replacement items.

When in doubt about appropriate appearance, correct shoes, and uniform items, check with the College **before**, not after undertaking the expense.

Students in breach of uniform, make-up, jewellery, or code of appearance requirements may be, at the discretion of the Principal, required to remain at home until the matter is rectified.

Summer Uniform

It is not permitted to wear the Pullover as an external garment when travelling to and from the College. All students are expected to wear the regulation Blazer, or a short-sleeved Shirt with College Crest, or Dress. The White Shirt may be worn out, if of an appropriate fit. T-shirts, if worn, are NOT to be visible.

Winter Uniform

The Blazer is to be worn as the external garment to and from the College each day. It is not permissible to wear the Pullover as an external garment when travelling to and from the College. T-shirts, if worn, are NOT to be visible.

All students are expected to wear the College Tie. Parents/Guardians should ensure that the collars of Shirts/Blouses are always sufficiently large as to provide comfortable wear with the top button fastened. **Shirts/Blouses must always be tucked in.** The tie is always expected to be worn when in formal school uniform.

Bicycle Riders may wear high visibility vests/coats while riding only.

Physical Education Uniform

Students are required to have the correct Physical Education Uniform for Physical Education classes and sport, including appropriate sun-smart headwear during Terms 1 and 4. Students are permitted to wear PE uniform to and from school on sport days and days where practical PE is timetabled. Incorrect wearing of the uniform will result in this privilege being withdrawn.

All inter-school sports teams are required to take to the field/court in correct uniform for that sport. Teams are penalised, or forfeit, for incorrect uniform.

Drama/Dance

Students taking Drama/Dance (Years 9-12) must wear Ink Tracksuit Pants together with the Rugby Top and Sports Shirt when required to change for practical activities. Students may choose to wear 3/4 Ink Leggings rather than the Tracksuit Pants (only during class time).

Prescribed Shoes

Plain, black leather (not suede) **lace-up school shoes** (not black runners) are the prescribed uniform shoe for all students. Contact the College, prior to purchase, if uncertain about a particular style. All students must have proper athletic runners for PE classes and sport. No casual shoes are permitted.

Headwear

Students are encouraged to wear a College cap during recess and lunch breaks during Terms 1 and 4. On days when the UV index is extreme, students must either wear the College cap or remain in the shade.

The College cap is required for Physical Education and Sport classes during Terms 1 and 4 and may also be mandated for camps and excursions.

Casual Dress Days

Occasionally students are permitted to wear casual dress to school, either for excursions or fundraising days. On such occasions, students are expected to dress appropriately and modestly.

As a guide, the following are not permitted:

- Offensive language/designs on clothing
- Shirts/tops that expose the midriff
- Low cut shirts/tops
- Inappropriate miniskirts or shorts

For health, safety and practical reasons, enclosed footwear must be worn. **Thongs and similar footwear are not permitted.**

House Leaders or the Director of Y9@E will determine if clothing/footwear is suitable. If students are dressed inappropriately, they will be asked to remedy the situation immediately. If this is not possible, inappropriately dressed students could be sent home.

SUPPORTING LEARNING AT EMMAUS E-LEARNING

Year 7 Laptops

In 2022, Windows 10 laptops will be the ICT learning device for Year 7 students. The laptop has been selected by the College with significant benefits for student learning.

The benefits include:

- One standard ICT device for collaboration, critical thinking, communication and creativity makes learning consistent, as well as encourages student group exploration of the many functions available.
- Secondary education requires students to complete more complex and longer tasks. Software functionality needs to be able to deal with the complexities involved.
- File management and organisational skills for the use of laptops are important. Students need to understand how to set up directories and establish consistent file naming procedures.
- Wi-Fi connectivity, fast processor and hard drive will facilitate anywhere, anytime learning.
- Connectivity will enable students to access online apps, Web 2.0 activities and interactive content, making learning engaging as well as catering for different learning styles.
- Multimedia functionality with an inbuilt microphone and camera will enable creative presentations using images, videos and sound.
- A touchscreen and tablet function will ensure that students have the benefit of taking notes in any classroom. From complex mathematical formulas to touch-sensitive drawing capabilities, the laptop will be able to cope with a variety of learning activities.
- An 8-hour battery life will ensure that the laptop can be used throughout the school day.
- The laptop will be light and portable for ease of carrying to and from school, as well as different classes, throughout the school day.
- The College website has a comprehensive section on eLearning. Procedures for the use of ICT devices at home are provided with many useful tips for establishing limits within the family.

The College's ICT Acceptable User Policies can also be downloaded from the website.

Resource List (formerly known as the booklist)

The use of laptops has changed the way students use resources textbooks. Students will be purchasing a combination of textbooks and digital resources in 2022.

Second Hand Uniforms

Families can buy and sell uniform items through the Emmaus College Second Hand Uniform Shop. The Emmaus College Second Hand Uniform Shop is open regularly during each school Term. Please refer to the College Website and Newsletter for opening times.

BUYING UNIFORM

- There is no refund or exchange on Second Hand Uniform items purchased.
- We accept EFTPOS, Cash and Cheque.

SELLING UNIFORM

- Uniforms are sold on a commission basis.
- All items will be priced by the Emmaus College Second Hand Uniform Shop according to their condition.
- The Emmaus College Second Hand Uniform Shop reserves the right to not accept items they consider to be under College uniform regulations. Items considered unsellable will be disposed of without notice.
- All items must be clean and in saleable condition i.e., no tears, stains, holes, fading, missing buttons or broken zips.
- Blazers must be dry-cleaned with the dry-cleaning tag attached.
- Items not sold after two years will become the property of the College.

A Second Hand Uniform Shop Seller's form needs to be completed with your details and included with items for sale.

Items can be left at the College Office during business hours, 8am – 4pm, Monday to Friday. All enquiries to:

uniformshop@emmaus.vic.edu.au

SECTION 2: CONDITIONS OF ENROLMENT

Introduction

Catholic Education is intrinsic to the mission of the Church. It is one means by which the Church fulfils its role in assisting people to discover and embrace the fullness of life in Christ. Catholic schools offer a broad, comprehensive curriculum imbued with an authentic Catholic understanding of Christ and his teaching, as well as a lived appreciation of membership to the Catholic Church.

Parents and guardians, as the first educators of their children, enter a partnership with the Catholic school to promote and support their child's education. Parents and guardians must assume a responsibility for maintaining this partnership by supporting the school in furthering the spiritual and academic life of their children.

Enrolment

During the enrolment process parents/guardians are required to provide information about their child both at the application stage and if the school offers the child a place. The lodgement of the enrolment form does not guarantee enrolment at the school. If the information requested is not provided, the College may not be able to enrol the child.

To meet school and government requirements parents/guardians will need to provide the school with a completed enrolment form including, among other things, the information listed below:

- Evidence of your child's date of birth
- Religious denomination
- Names and addresses of the child and parents/guardians, telephone numbers (home, work, mobile) of parents/guardians
- Names of emergency contacts and their details
- Specific residence arrangements
- Information about the language(s) your child speaks and or hears at home
- Nationality and/or citizenship including the visa subclass granted upon entry to Australia (period to citizenship being granted) where applicable
- Doctor's name and telephone number
- Information on additional learning needs (for example, whether your child requires additional support in relation to mobility, language, social skills development, welfare needs, challenging behaviours, adjustments to the curriculum, etc.)
- Parenting agreements or court orders, including any guardianship orders

After lodgement of this form, school staff may need to request further information, for example: in relation to any parenting orders, medical conditions or additional learning needs that are noted on the enrolment form. In addition, it is often useful for parents/guardians to attend a meeting with school staff prior to enrolment to discuss any additional needs the child may have. An interpreter may be organised, if required.

Notice of Withdrawal

In line with standard practice in most other Catholic secondary schools, parents or guardians are required to give one full Term's notice (in writing to the Principal) for cancellation of enrolment or withdrawal of a student from the College. If the required notice is not given, a fee of up to one full Term will be charged.

Child Safe Environment

Catholic schools have a moral, legal and mission driven responsibility to create nurturing school environments where children are respected, their voices are heard, and they are safe and feel safe.

Every person involved in Catholic Education, including all parents and guardians at our school, has a responsibility to understand the importance and specific role they play (individually and collectively) to ensure that the wellbeing and safety of all children is at the forefront of all they do and every decision they make.

Our school's child safety policies and procedures are readily available and accessible.

Further details on the Catholic education community's commitment to child safety across Victoria can be accessed by visiting:

- a. [Catholic Education Commission of Victoria Child Safety page](#)
- b. [Catholic Education Melbourne's Child Safety page](#)

Terms of Enrolment Regarding Acceptable behaviour

1. **Our school is a community that exemplifies the gospel values of love, forgiveness, justice and truth.** The school community recognises that everyone has the right to be respected, to feel safe and be safe; and, in this regard, understands their rights and acknowledges their obligation to behave responsibly.

2. **Every person at the school has a right to feel safe, to be happy and to learn; therefore, we aim to:**
 - a. Promote the values of honesty, fairness and respect for others
 - b. Acknowledge the worth of all members in the community and their right to work and learn in a positive environment
 - c. Maintain good order and harmony
 - d. Affirm co-operation as well as responsible independence in learning
 - e. Foster self-discipline and develop responsibility for one's own behaviour
3. **The school administration, in consultation with the school community wherever appropriate, will prescribe standards of dress, appearance and behaviour for the student body.** As a term of your child's enrolment, parents and guardians are expected to comply with the school's behaviour aims and code of conduct, and to support the school in upholding prescribed standards of dress, appearance, and behaviour.
4. **Unacceptable behaviour by a child, or repeated behaviour by a parent or guardian that, in the school's view, is unacceptable and damaging to the partnership between parent/guardian and school, may result in suspension or termination of the child's enrolment.**

Terms of Enrolment Regarding Conformity with Principles of the Catholic Faith

As a provider of Catholic education, the Principal will consider the need for the school community to represent and comply with the doctrines, beliefs and principles of the Catholic faith when making decisions regarding matters of school administration, including enrolment. Students and families who are members of other faiths are warmly welcomed at our school. However, the school reserves the right to exercise its administrative discretion in appropriate circumstances, where it is necessary to do so to avoid injury to the religious sensitivities of the Catholic school community.

Terms of Enrolment Regarding Provision of Accurate Information

1. It is vitally important that the school is made aware of each child's individual circumstances as far as these may impact upon their physical, functional, emotional, or educational needs, particularly where the school is required to provide additional support to the child.
2. Parents and guardians must provide accurate and up to date information when completing an enrolment form and must supply the school, prior to enrolment, any additional information as may be requested, including copies of documents such as medical/specialist reports (where relevant to the child's schooling), reports from previous schools, court orders or parenting agreements. Provision of requested documentation is regarded as a condition of enrolment, and enrolment may be refused where a parent/guardian has unreasonably refused to provide requested information or knowingly withheld relevant information from the school.
3. Where, during a child's enrolment, added information becomes available that is material to the child's educational and/or safety/wellbeing needs, it is a term of the child's continuing enrolment that such information is provided to the school promptly.
4. The provision of an inaccurate residential address or failure to provide an updated residential address for the child will also be treated as a breach of the terms of enrolment.

Enrolment for Children with Additional Needs

The school welcomes parents/guardians who wish to enrol a child with additional needs and will do everything possible to accommodate the child's needs, provided that an understanding has been reached between the school and parents/guardians prior to enrolment regarding:

1. The nature of any diagnosed or suspected medical condition/disability, or any other circumstances that are relevant to the child's additional learning needs (for example, giftedness or an experience of trauma).
2. The nature of any additional assistance that is recommended/appropriate to be provided to the child (for example, medical or specialist equipment, specialist referrals, specific welfare support, modifications to the classroom environment or curriculum, behaviour support plans or other educational interventions as may be relevant).
3. The individual physical, functional, emotional or educational goals that are appropriate to the child, and how the parents/guardians and the school will work in partnership to achieve these goals.
4. Any limitations on the school's ability to provide the additional assistance requested.
5. The process for enrolling students with additional needs is otherwise the same as for enrolling any student.
6. As every child's educational needs can change over time, it will often be necessary for the school to review any additional assistance that is being provided to the child, in consultation with parents/guardians and the child's treating medical/allied health professionals, to assess whether:
 - a. the additional assistance remains necessary and/or appropriate to the child's needs.
 - b. the additional assistance is having the anticipated positive effect on the child's individual physical, functional, emotional or educational goals.
 - c. the additional assistance remains necessary and/or appropriate to the child's needs.

Assessment and Updates

Numerous opportunities are provided to keep parents/guardians up to date with their child's progress. They will receive regular comprehensive reports on their child's progress via our continuous reporting program, and there are at least two Parent Student Teacher Conferences arranged during the year where parents/guardians, together with their child, can discuss their child's development with their teacher. In addition, parents/guardians can always contact the school to arrange a meeting if they have any concerns or wish to receive an update on progress.

Disclaimer: Personal information will be held, used, and disclosed in accordance with the school's [Privacy Collection Notice](#) and [Privacy Policy](#) available on our website.

The Enrolment Process

1. Enrolment at Emmaus College is conditional upon the Principal being satisfied that the applicant has met the College requirements for admission.
2. If enrolment cannot be offered at the time of application, an applicant's name will be placed on a waiting list for the appropriate enrolment category on request. When a vacancy becomes available in the appropriate category, the applicant at the top of the list will be immediately advised.

TUITION FEES AND CHARGES

Emmaus College is committed to providing a quality education for young men and women in the Catholic tradition. The College has a reliance on parent(s) and guardian(s) to fulfil their financial obligations to enable the College in providing high quality teaching and learning experiences.

Despite the College being a recipient of Australian and Victorian Government grants, the financial contribution of parent(s)/guardian(s) is still a necessity to reduce the expenditure gap of educating a child not supported by Government grants. To enable parents/guardians in recognising the full extent of their financial commitment and obligation, the following guidelines are provided:

Commitment

The College seeks a positive and co-operative relationship with parent(s)/guardian(s) and by accepting an offer of a place at the College, the parent(s)/guardian(s) are consciously making a commitment to honour their annual financial obligations to the College.

The College has a responsibility to ensure that all parent(s)/guardian(s) share equitably the education costs of the students at the College.

Aim

The aim of the College Fees & Charges guideline is to ensure the collection of fees are equitable and transparent with the expectation that the financial viability of the College is sustainable.

Tuition Fees

The setting of all tuition fees takes into consideration any shortfall of Commonwealth and Victorian Governments grants provided to non-Government schools.

Compulsory charges include tuition, composite and camp fees, and a mandatory College provided laptop at Year 7 and 10.

Other non-compulsory or extra-curricular charges which are charged and itemised separately include music tuition, charter bus, VET/VCAL, overseas and interstate trips, etc.

All fees must be paid for the enrolment to continue at the College. The College does not allow a child to participate in optional extracurricular College events while fees remain due and payable.

Fee Collection

By agreeing to the terms and conditions of enrolment, parent(s)/guardian(s) also declare their responsibility for all fees and charges when signing student enrolment forms.

- School fee packs containing available payment plan options are emailed to all families with the expectation that one of the two payment options detailed below is chosen.
- All fees must be paid by the end of November of each school year unless an approved agreement is in place.

For more information, see the [Tuition Fees and Charges on the College website](#).

Application and Enrolment Fees

An application fee of \$50 is to accompany the standard Application for Enrolment form. This fee must be paid for an application to be processed. Please note that an application for enrolment does not constitute an offer of a place. This fee is non-transferable and non-refundable.

Upon acceptance of an offer of place at Emmaus College for the first time, an enrolment fee of \$800 is payable. This payment reserves the student's place and confirms the acceptance of an offer of enrolment at the College. The fee is non-transferable and will be deducted from the following year's total fees. Should the application be withdrawn after acceptance, \$450 will be withheld.

In subsequent years, a re-enrolment fee of \$500 is payable at the same time as the intention for re-enrolment process. The fee is non-transferable and non-refundable, and will be deducted from the following year's total fees.

Discounts

An **early payment discount** per student will be granted when all fees are paid in full by mid-February of the school year.

Sibling discounts, on tuition fees only, are granted for second and third students, with the fourth and subsequent students attracting no charge. The discount is applicable to siblings enrolled at the same time at Emmaus College only.

Payment Options

The College offers two options for paying fees to reduce any financial burden and to assist in financial planning. **Fee Payment Options** available are:

- Payment in full by mid-February to receive a one-off discount; or
- Direct Debit arrangement - fortnightly, quarterly or monthly

Fee Receipts and Statements

- Receipts for payment will only be issued by request
- Statements will be issued at the end of each Term

Finalising Fee Account by the end of November

It is an expectation of the College that all family accounts are to be paid in full by the end of November to ensure that the College can meet its financial obligations.

Notice of Withdrawal - One Full Term

In line with other Catholic secondary schools, it is a requirement that parents/guardians are to give one full Term's notice, in writing to the Principal, of cancellation of enrolment or withdrawal of a student from the College. If the required notice is not given, a fee of one full Term's fees will be charged.

The rationale for this fee is the College budget takes into consideration re-enrolment applications when planning for staff expenditure. An enrolment withdrawal impacts the school as salaries remain a committed fixed cost for the full year.

Family Assistance/Fee Remission

Emmaus College has a commitment to assist families in meeting the costs of secondary education. This includes assistance to those families whose circumstances prevent them from meeting the full cost of fees. In the interests of equity and fairness to full fee-paying families, assistance is means tested.

As a matter of fairness and equity, the College has a policy of not allowing recipients of concessions to undertake non-compulsory or extra-curricular activities including music tuition, overseas and interstate trips, etc.

Families experiencing difficulties in meeting their fee obligation are required to contact either the Finance Manager or Family Liaison, Accounts via accounts@emmaus.vic.edu.au or 03 9845 3211 as soon as possible to discuss the terms and conditions of such arrangements.

Camps, Sports and Excursions Fund (CSEF)

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities. If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A CSEF amount of \$225 per student per annum will be paid directly to Emmaus College and automatically allocated to expenses relating to camps, excursions, or sporting activities for the benefit of your child.

For more information regarding CSEF including an information flyer and application, please visit [CSEF website](#).

Change of Family Circumstances

In the event of a separation or change in family circumstances, it is a requirement that the enrolment signees advise the College immediately. The payment of the tuition fee account does not automatically become the responsibility of one person, as all parties have signed the student enrolment form agreeing that all parties are 'jointly and severally liable' for meeting all College fees and charges.

All parties to the enrolment are required to complete and sign an amended enrolment agreement form which outlines the change in family circumstances and agreed split of fees. This agreement is only superseded by a valid Court Order.

The College reserves the right to automatically split the fee account 50/50 should an agreement not be reached between the signing parties within 14 days of notification.

Overdue Fees

As Emmaus College is not fully funded by the Commonwealth and State Governments, the College is dependent on family fees to be paid. Parent(s)/Guardian(s) acknowledge their obligation to honour their payment of all fees and charges that are applicable when they sign the Acceptance Agreement on enrolment.

Should an account be in arrears, the Family Liaison Accounts will contact the fee payer by email and/or telephone to remind the family of their obligation to pay the College Fees in full by November each year.

Should a family account be in arrears when future enrolment confirmations are being sent to families, the College reserves the right to review a further sibling enrolment prior to any offer being sent.

As a matter of justice and fairness, where any account remains in arrears and all avenues to have the family recognise and action their fee responsibilities have been exhausted, the next step would be to engage a debt collection agency and/or prompt legal action.

The College reserves the right to commence litigation and if a court order (judgment) is obtained, the parent(s)/guardian(s) credit rating will be affected, as well as being liable for any costs associated with the collection of overdue fees.

STANDARD COLLECTION NOTICE

1. Emmaus College collects personal information, including sensitive information about students and parents, or guardians and family members, before and during a student's enrolment at the College. This may be in writing, through technology systems or during conversations and may be direct from the individual or from another source. The primary purpose of collecting this information is to enable the School, Melbourne Archdiocese Catholic Schools (MACS) and the Catholic Education Commission of Victoria Ltd (CECV) to meet its educational, administrative and duty of care responsibilities to the student, enabling them to take part in all the activities of the College.
2. Some of the information the College collects is to satisfy the College's legal obligations, particularly to enable the College to discharge its duty of care. Please click the following link to access the full document:

Student Photographs and Performance

The regular College Newsletter is published on the College website and only shows low resolution photographs of students. Where shots of students are used for promotional purposes by Emmaus College permission will be obtained and no names will be attached to the photographs. Photos of students may also be requested by the Eastern Independent Schools Melbourne (EISM), Melbourne Archdiocese Catholic Schools (MACS) and the Catholic Education Commission of Victoria (CECV). In such circumstances, names will not be used, and there is an understanding that such material is made free of charge to the relevant organisation. Every effort will be made to contact parents/guardians in such circumstances.

If students wish to participate in the College Production, they must be agreeable to their voice or image being used for general media purposes. Images of the cast are also likely to be displayed for promotional purposes.

Parent/Guardian Consent Form

The Emmaus College Board protocols require that photographs of students are not included on the College website or in printed promotional literature without the consent of the student and parents/guardians concerned. Where photographs are used in the public domain **NAMES WILL NOT BE INCLUDED.**

Please access the online consent form using this link: [Photography/Video Consent Form](#)

COLLEGE RULES

Student Responsibilities

A **right** can only be enjoyed when it is upheld and supported by the **responsibility** of the rest of the group. At Emmaus College, these responsibilities have been expressed in the form of expectations in the following documents, available to any member of the College on the website. These documents include Discipline and Welfare, Uniform Requirements, Classroom Protocols, Dealing with Harassment – A Fair Go for All, Homework and Home Study Policy, Drug Education and Support Policy and Bus and other Transport protocols.

All students and parents/guardians should ensure that they read and understand our internet safety policies which can be found on our website and include Cyber Safety Policy, Information Communication Technology Policy, Mobile Phone (Student Use of) Policy and the Social Media Policy.

Students are required to co-operate with their teachers in the conduct of all teaching-learning activities and co-curricular programs. Any behaviour which contravenes any legitimate directions of staff, or which interferes with the learning process of other students will be dealt with under the "Working Together" policy of the College.

It is necessary for students and staff to understand that actions which are contrary to behavioural expectations will have certain consequences. These consequences will be logically related to the broken rule and applied across the whole school. These consequences are regularly reviewed. A copy of the **Guidelines for Failing to Meet Behavioural Expectations** is available upon request.

Students and families are reminded of their signed acceptance of the College Rules as part of the annual re-enrolment process.

1. Correct Behaviour

- 1.1 Correct behaviour is always expected of all students and so a breach of customary standards of courtesy, decency, common sense or consideration for the welfare of others is a breach of College Rules.

2. Wearing of the Uniform

- 2.1 Each student must wear the correct College Uniform when going to and from the College, and on other occasions as directed.
- 2.2 All students must wear the currently approved uniform for Physical Education classes, games and matches, as well as for specified Drama classes. Approved protective clothing for practical classes must be worn.
- 2.3 All articles of clothing worn to or at the College are to be clearly marked with the owner's name. When articles are misplaced students must check with the General Office/Student Services.
- 2.4 Each student must possess and use the approved College bag. If not maintained in good condition, (free of stickers and graffiti) the College bag must be replaced.

3. College Grounds

- 3.1 After arrival at school, no student is to leave the College grounds without official permission. Leaving the College grounds without the express written permission of the House Leader is an unexcused absence. Such absence is a breach of trust and is regarded as a serious matter.

4. Attendance

- 4.1 All students are expected to be punctual and regular in their attendance. Parents/Guardians are requested to ring the College office by 9.30am if their child is absent.
- 4.2 Appropriate action will be taken when a student is repeatedly unpunctual or is absent from school without an acceptable reason.
- 4.3 Students absent from school are responsible for all work missed and should discuss this matter with subject teachers immediately on return after absence.
- 4.4 To ensure satisfactory completion of courses, students are required to maintain a minimum 90% attendance rate at school **and at all classes** for which they are enrolled in during the Semester.

5. Lateness

- 5.1 Any student who arrives after the Morning warning bell must report to Student Services before going to class.
- 5.2 A message from parents/guardians is normally required to explain a late arrival to the College.

6. Permission to Leave

- 6.1 If it is necessary for a student to leave the College during College hours, a written request must be presented to the House Leader/Pastoral Teacher or verification by telephone. Students in Years 7-10 who are given formal permission by their parent/guardian to leave the College must be collected from Student Services.

7. Absence from College

- 7.1 Prior to a known and extended absence from the College, parents/guardians are required to advise the Principal in writing.
- 7.2 On return from an absence, parents/guardians are required to communicate with the College to indicate the reason for such absence, unless there has been prior communication with the College.

8. Legal and Illegal Substances

Whilst students are at the College or travelling to and from the College, attending any College function, or wearing the College Uniform, they are:

- 8.1 Not permitted to have or use any tobacco or vaping products.
- 8.2 Not permitted to use, possess, sell, or be under the influence of alcoholic beverages, mind altering substances or other illegal substances.

9. Make-up and Jewellery

- 9.1 Students are not to wear make-up of any kind, or coloured nail polish.
- 9.2 Students may wear in each ear one small discreet silver/gold/diamante stud or gold/silver sleeper. Students will be asked to remove extra jewellery and will receive a Uniform Infringement. **No other form of body piercing is permitted. (See "Notes on Wearing Uniform").** Jewellery may be confiscated at the discretion of the House Leader; if confiscated, a receipt will be issued, and the jewellery secured.
- 9.3 Students' hair must always be clean and well clear of eyes. Extremes of hairstyles and unnatural hair colours (in terms of style and colour), as judged by the College Principal, are not permitted. In the interest of health and safety, hair below shoulder length must always be tied back.
- 9.4 Students are to be always clean-shaven.

10. Transport

- 10.1 **Bicycles:** It is permitted for students to ride bicycles to the College. Although every precaution is being taken, the College can bear no responsibility for such bikes. Students are required to use the bike shed for storage of bicycles and helmets.
- 10.2 It is a legal requirement that students riding bicycles to and from College wear an approved safety helmet. Not doing so may result in students incurring a heavy fine.
- 10.3 **Students' Cars:** Licensed students who wish to drive vehicles to/from school are required to submit a Permission to Drive form to the Assistant Principal – Students. The make, colour and registration number of the vehicle must be stated on the Permission to Drive form.

Students are **not** permitted to drive vehicles onto, or park within either the Vermont South or Burwood Campus without written permission from the Assistant Principal – Students, nor are they permitted to transport other students without written permission from the parent(s)/guardian(s) of the student.

The College bears no responsibility for the safety or security of vehicles driven to school by students.

- 10.4 Students travelling on buses/trams are expected to adhere to the College's Bus and other Transport protocols.

11. Use of Classrooms and Buildings

- 11.1 No student is to be unsupervised in any classroom without written special permission.
- 11.2 No student is to be inside any building at recess and lunchtime without staff supervision or at the written direction of a member of staff.

12. La Strada

- 12.1 A well-stocked cafe, La Strada, which sells hot foods, is available for use by students at morning/recess/lunch times. Students are required to form orderly queues in the waiting areas and to place their orders with the normal courtesies.

13. Lockers, Money and Valuables/Mobile Phones

- 13.1 Money or valuables should be left at the General Office/Student Services or with House Leaders for safekeeping during the day, as needed.

The College will not accept responsibility for the security of any possessions or valuables not deposited with the General Office/Student Services.

Each student is allocated a locker for the year and is expected to keep the locker always secured with a lock and kept tidy. Any student who damages a locker will be required to pay for repairs and the use of the locker may be withdrawn. Any school padlock, or key, that is misplaced or lost will need to be paid for.

- 13.2 **Use of Mobile Phones:** While Emmaus College recognizes that mobile phones are an important communication tool, the following must be noted in relation to the school environment:

The College accepts no responsibility for the security of mobile phones unless they are left at the General Office/Student Services or with a House Leader.

- 13.3 Mobile phones are not to be used during normal school hours. Mobile phones used during this time will be confiscated and a detention will be incurred. Mobile phones will be collected at the end of the day.
- 13.4 As a privilege of being responsible Years 10-12 students, mobile phones (or similar devices) are permitted to be used in designated areas only for senior studies outside normal class time.

14. Damages and Breakages

- 14.1 Students are required to take care of College equipment and property. Any loss of equipment, damage to property or breakage must be reported to the House Leader or Pastoral Teacher. The financial responsibility for replacement/repair of such property or equipment rests with the student/group concerned.

15. Substances NOT to be used

The following substances are banned from all College buildings, grounds and vehicles:

Chewing Gum

Liquid Paper, White-out, or other similar substance

Permanent Markers/Textas; and

Laser Pointers

As many students are asthmatic and suffer various allergies, **aerosol spray deodorants should not be used.** Stick and roll-on deodorants are appropriate.

SECTION 3: TRANSPORT ARRANGEMENTS

Emmaus College is well-served by a public transport infrastructure including buses, trains and trams. In addition, Emmaus College in conjunction with Crown Coaches also charters buses which service the **North Blackburn, Mitcham, Vermont, Burwood, Rowville, Scoresby, Wantirna, Knoxfield and Boronia areas.**

A daily bus also operates between the Vermont South Campus and the Year 9 Burwood Campus.

SECTION 4: DATES FOR 2021 - TERM 1 2022

CLOSURE OF SCHOOL OFFICE

The College Office will close on Friday 17 December 2021 and will reopen on Monday 17 January.

Note: The General Office at both Campuses will be closed on 26 January for Australia Day Public Holiday/January.

ORIENTATION PROGRAM 2021-2022

To promote a smooth beginning for 2022, the College will continue to conduct an Orientation Day for Year 7 students during the first week of the College Year. This has proved very successful in the past.

Year 7 Orientation Day: Date TBA for 2021.

Year 12 students will commence on Monday 31 January for a three day retreat.

Year 7 and Year 9 Students will commence on Tuesday 1 February 2022, 8.35am to 3.15pm.

- **Year 7 Students are to be in full summer uniform and must bring their school bag and books.**

Year 8, 10 and 11 Students will commence on Wednesday 2 February 2022, 8.35am to 3.15pm.

- Normal charter buses will be available to transport students to and from school to meet with allocated school times.
- The Burwood and Vermont South Cafés **WILL** be open at recess and lunch from Tuesday 1 February 2021.

CALENDAR

Each family will receive a Calendar containing dates of all College activities for 2022. It is hoped that this Calendar will enable parents/guardians to be informed of all College activities and plan their personal and family commitments accordingly. This Calendar will be distributed early in the 2022 school year. The College website (www.emmaus.vic.edu.au) also includes a calendar with important dates, as does EmmLink.

Monday	31 January	Year 12 Students begin
Tuesday	1 February	Year 7 and 9 Students begin
Wednesday	2 February	Year 8,10 and 11 Students begin
Friday	8 April	Last Day of Term

SECTION 5: LEARNING PROGRAM FOR 2021

YEAR 7 CURRICULUM OUTLINE

The curriculum at Years 7 and 8 is made up of a Common Course for all students. The curriculum objectives at Years 7 and 8 include providing students with the foundation and exposure to those subjects offered at higher levels of secondary education.

In each subject area there is ongoing assessment and at the end of each Semester an Academic Report is provided, offering an overview of student progress and achievement.

Semester 1	Semester 2

Sport - In addition to the College Inter-house competitions, students will have an opportunity to participate in a series of Interschool competitions in Swimming, Athletics, Cross Country and EISM sports. Recreational activities will be provided for those students not competing in EISM sports.

MEETING SPECIAL NEEDS OF STUDENTS IN MATHEMATICS AND/OR ENGLISH

Provision has been made to meet specific needs for a number of students who require specialised programs, either to allow them to proceed at a modified rate or to extend talents and aptitudes identified in various situations.

Parents/Guardians will be advised of these programs in English and Mathematics, and their permission requested for students to be allocated to appropriate groups.

Additional Language Support classes are to be offered as an alternative to Languages to provide further assistance for student needs in the area of literacy.

ENHANCEMENT

Emmaus College caters for the cognitive, emotional, physical, and affective development of capable students through a variety of extension and enrichment opportunities. To establish a firm base for future learning, across all subjects in Years 7-9, units of work are differentiated so that high achieving students are individually engaged and extended. Excellence in achievement is acknowledged and celebrated through certificates and Award ceremonies.

In Years 10-12, students who have shown themselves to benefit from academic challenges are offered opportunities to accelerate their learning by completing VCE units one year ahead of their peers.

Enrichment experiences that develop knowledge application, problem-solving and creative thinking skills are offered in extra-curriculum provisions. These include intra and inter-school competitions such as Debating, Public Speaking, Tournament of Minds, Robotics and The Australian Maths Competition. The College is renowned for its excellent music and drama productions and students regularly participate at a high level in a variety of sports.

EMMLINK: LEARNING MANAGEMENT SYSTEM, INTRANET AND PORTAL

Emmlink is our online learning management system (LMS) and portal which provides the tools to effectively enhance communication, collaboration, and learning. Using technology as a tool, students will enjoy the interactive nature of Emmlink and the variety of creative learning activities which can be accessed anywhere, anytime.

Access to Emmlink is via a unique username & password, with students and parents/guardians given their own access. With their logon credentials, parents/guardians will be able to view their child's timetable, College news, activities taking place in classes, assessment tasks and results.

ASSESSMENT AND REPORTING AT EMMAUS

Using Emmlink as the gateway, reporting at Emmaus College is, what is sometimes referred to as **continuous reporting**. Marks, grades and comments for College Assessment Tasks are published on the Emmlink LMS. What this means is that, rather than waiting until the end of the Semester, parents/guardians can see the result and read what feedback students have been given about their accomplishments and advice about how to improve their work.

At the end of the Semester there is a summary statement of results via the Academic Report which is also available on Emmlink. Because comments about achievement and specific advice about improvement are available throughout the Semester, summary reports do not contain comments.

Along with the marks and comments for Assessment Tasks, you can also find:

- **Progression Points** for students in Years 7-10 are also recorded toward the end of each semester in Emmlink using a rubric.
- **Student Work Habits** are reported using a rubric and are reported towards the end of Terms 1 and 3.

PROGRESSION POINTS

At Years 7-10, Progression points are reported in Emmlink via a rubric at the end of each semester. The message about progress is via the actual descriptor and you are encouraged to read this.

Achievement for English, Health and Physical Education, and Mathematics are displayed at the strand level. All other curriculum areas are displayed at the curriculum area level.

Progress is described in the following ways:

- Working below the expected level
- Having difficulty working at the expected level
- Generally working at the expected level
- Consistently working at the expected level
- Working beyond the expected level
- Working well beyond the expected level

STUDENT WORK HABITS

Student work habits are reported in Terms 1 and 3 via Emmlink using a rubric. No comment is required. As described below, there are four Indicators of Work Habits and assigning a value to these will result in a 'score' which is then used to determine the Effort Commendations for each semester.

Work Habit Indicators:

Take responsibility for own learning

This Indicator is linked to students focusing on the success criteria they have been shown. Students scoring a Very High in this Indicator will be students who stick to the learning and do more than the minimum, becoming independent learners.

Works collaboratively with others

This Indicator takes in a range of ways for working with other students in the class. While formal group work is obviously one of the activities considered here, it is not the only one. Students might work as teammates or practical work partners, or they might just be working together in class. Working co-operatively with others can also include being engaged in class activities.

Completes set work on time

This Indicator takes into account the full range of student work, such as homework and assessments.

Responds to feedback

This Indicator is all about improvement. The key point about this Indicator is the extent to which students respond to feedback. While feedback on assessments is important, teachers will provide a full range of feedback written, verbal and through rubrics.

ORIENTATION CAMP

To help settle into life at Emmaus College, all Year 7 students are taken on an Orientation Camp to Rawson during February. The dates for each House are:

Colin and Rice House **Monday 7 February - Wednesday 9 February**

Chavoyn and More House **Wednesday 9 February - Friday 11 February**

The students will stay at Rawson Village with most of their activities shared between Rawson and the historic township of Walhalla. The activities include exploring the township of Walhalla, canoeing on the Thomson River, walks, games, climbing wall, bush cooking and other supervised learning activities. As the prime purpose of the Orientation Camp is to bond as a House group, the students will live as a community for the three days with their classmates and teachers. Year 10 Peer Support Leaders will help and will continue to work with their classes upon their return to school. Meals are fully catered for, but students will be required to assist where necessary. Students will sleep in bunkroom accommodation.

Details such as what to pack, departure and arrival times etc. will be sent home early next year. It is advisable to purchase or arrange to borrow a weatherproof coat and a sleeping bag.

The approximate cost of the camp is \$325 per student. This amount will be included in the annual tuition fee account in 2022.

All students look back on their camp as a wonderful experience. It is the ideal way to make new friends and become part of the Emmaus family.

MUSIC EDUCATION AT EMMAUS

Music plays an important role in the College Curriculum as a Core subject in Year 7 and 8 and in the elective program at Years 9 and 10. It continues through theoretical and practical studies as Music Performance within the Victorian Certificate of Education (VCE).

Instrumental Music Program at Emmaus

Individual or Group music tuition is available across a wide range of instruments from Years 7 to 12, with students enrolling for **A SEMESTER** at a time. Instrumental music tuition lessons are normally held during the school day, with lessons being timetabled on a rotational basis over each Semester.

A formal agreement is drawn up at the commencement of the year, ensuring a continuity of a student's instrument tuition over the Semester and outlining the specific conditions applying to such tuition. Parents/Guardians should note that group tuition is possible with most, but not all of the instruments.

The costs involved in the **Instrumental music program** for 2022 are:

- 1 Semester Tuition - Group \$459.00 (2-3 students)
- 1 Semester Tuition - Individual 30 Mins \$680.00 (Solo student)
- 1 Semester Tuition - Individual 45 Mins \$102.00 (Solo student)
- 1 Semester Tuition - Individual 1 Hour \$1360.00 (Solo student)
- Instrument Hire, per Semester \$120.00 (if applicable)

Music Workshops and Masterclasses

These days are run by the College's instrumental music tutors and College music staff and will feature guest performers and clinicians. The workshop days are held once per semester – the cost of which is included in the Instrumental Music tuition fees (workshops will be counted as 1 x lesson).

Instrumental Music Ensemble Participation

At Emmaus College, our focus is on ensemble music making. This is reflected in our Year 7 and Year 8 concert band classroom program, the recent implementation of a variety of new College ensembles and the success of our existing ensembles.

Students enrolling in Instrumental music lessons are strongly encouraged to join an extra-curricular College ensemble. Students select their preferred ensemble when completing the Instrumental Music enrolment form. All instruments (including voice) may elect to join/participate in any ensemble, however there are often appropriate instruments for each ensemble. Below is a list of College ensembles students may choose to join:

- Jazz Band
- Vocal Ensemble
- Senior Soul Band
- Senior Rock Band
- String Ensemble
- Show Band
- Year 9 Rock Band
- Marching Band/Percussion Ensemble
- Guitar Ensemble
- Junior Soul Band
- Junior Rock Band
- College Rock Band
- Year 9 Soul Band

All applications for music tuition must be submitted to the Director of Music (Mr John Collins, Phone: 9845 3310) by Friday 12 November 2021.

SECTION 6: PSYCHOLOGY AND COUNSELLING SERVICE (PCS)

The Psychology and Counselling Service (PCS) has a wealth of psychological and educational knowledge and expertise to support students to achieve academic success, psychological health, and social/emotional wellbeing. Our team includes three registered psychologists with specialist training/endorsement in areas such as educational and developmental psychology, and clinical psychology.

The main services provided include confidential short-term counselling, cognitive and learning assessment, and small-group workshops.

Examples of the areas in which the PCS provide care and assistance include:

- Managing emotions
- Respect for self and others
- Resilience
- Personal growth
- Positive peer relationships
- Learning difficulties
- Mood
- Coping strategies to overcome challenges

Students can be referred for short-term counselling through members of the College's Student Wellbeing Team. Additionally, students can self-refer for individual counselling by completing a self-referral form, which is available electronically in the Self-Referral tile on our EmmLink page. The service uses a solution focused approach that assists students with their individual needs at a school level, though it is not designed as primary care for more complex issues, for safety issues, or those requiring extended treatment.

If parents/guardians are concerned about their child's wellbeing and would like to explore what supports might be appropriate within the school, they are asked to contact their child's House Leader who can then discuss these concerns with the Student Wellbeing Team.

STUDENT MEDICAL INFORMATION

In Term 4, 2021 parents/guardians will receive an email inviting them to join Operoo (formally known as CareMonkey) to create a profile of their child and share it with the school.
