

Child Safety and Wellbeing Policy

Introduction

Emmaus College is a school, which operates with the consent of the Catholic Archbishop of Melbourne and is owned, operated and governed by Melbourne Archdiocese Catholic Schools Ltd (MACS).

At our school, we hold the care, safety and wellbeing of children and young people as a central and fundamental responsibility of our school. Our commitment is drawn from and inherent to the teaching and mission of Jesus Christ, with love, justice and the sanctity of each human person at the heart of the gospel (CECV Commitment Statement to Child Safety).

The person of each individual human being, in his or her material and spiritual needs, is at the heart of Christ's teaching: this is why the promotion of the human person is the goal of the Catholic school ([The Catholic School on the Threshold of the Third Millennium](#), n. 9).

Emmaus College, as a Christ centred Community, has at the heart of its spirituality, the person of Jesus Christ. The story of the Walk to Emmaus in the Gospel of Luke and from which the College is named, nourishes our spirituality. Students are encouraged to live by the key core values of faith, community, respect, excellence, integrity and service and to empower them to achieve their best academically. The College aims to ensure that learners acquire and utilise the knowledge and skills to be future ready.

Emmaus College is a Christ-centred community, providing a caring and supportive environment that enables students to develop their full potential in all areas of life.

Purpose

The purpose of this Policy is to demonstrate the strong commitment of the College to the care, safety and wellbeing of all students at the College. This Policy takes into account relevant legislative requirements within the state of Victoria, including the specific requirements of the Child Safe Standards as set out in [Ministerial Order No. 1359](#): Implementing the Child Safe Standards – Managing the Risk of Child Abuse in Schools and School Boarding Premises.

Scope

Everyone employed or volunteering at our College has a responsibility to understand the important and specific role they play individually and collectively to ensure a child safe culture in which the wellbeing and safety of all students is at the forefront of all they do and every decision they make ([CECV Statement of Commitment to Child Safety](#)).

This policy applies to all College staff, volunteers and contractors whether or not they work in direct contact with students. Also, it applies to College council members where indicated. Child neglect

Child neglect includes a failure to provide the child with an adequate standard of nutrition, medical care, clothing, shelter or supervision to the extent that the health and physical development of the child is significantly impaired or placed at serious risk ([PROTECT: Identifying and responding to all forms of abuse in Victorian schools](#)).

Child physical abuse

Child physical abuse generally consists of any non-accidental infliction of physical violence on a child by any person ([PROTECT: Identifying and responding to all forms of abuse in Victorian schools](#)).

Child sexual abuse

Child sexual abuse is where a person uses power or authority over a child to involve them in sexual activity. It can include a wide range of sexual activity and does not always involve physical contact or force ([PROTECT: Identifying and responding to all forms of abuse in Victorian schools](#)).

Emotional child abuse

Occurs when a child is repeatedly rejected, isolated or frightened by threats, or by witnessing family violence ([PROTECT: Identifying and responding to all forms of abuse in Victorian schools](#)).

Grooming

Grooming refers to predatory conduct engaged in by a person to prepare a child for sexual activity at a later date. It can include communication and/or attempting to befriend or establish a relationship or other emotional connection with the child or their parent/carer ([PROTECT: Identifying and responding to all forms of abuse in Victorian schools](#)).

Mandatory reporting

Reasonable belief – mandatory reporting

When College staff are concerned about the safety and wellbeing of a child or young person, they must assess that concern to determine if a report should be made to the relevant agency. This process of considering all relevant information and observations is known as forming a reasonable belief. A 'reasonable belief' or a 'belief on reasonable grounds' is not the same as having proof, but is more than mere rumour or speculation. A reasonable belief is formed if a reasonable person in the same position would have formed the belief on the same grounds ([PROTECT: Identifying and responding to all forms of abuse in Victorian schools](#)).

Reasonable belief – reportable conduct scheme

When a person has a reasonable belief that a worker/volunteer has committed reportable conduct or misconduct that may involve reportable conduct. A reasonable belief is more than suspicion and there must be some objective basis for the belief. It does not necessitate proof or require certainty.

NOTE: the difference between the reasonable belief definitions under mandatory reporting and the reportable conduct scheme is the category of persons, who are required to, or can, form the reasonable belief which forms the basis for a report.

Reportable conduct

Reportable conduct for the purposes of the Reportable Conduct Scheme is:
