Emmaus College is committed to receiving, managing, and responding to complaints in a manner that achieves the best possible outcome for our students and fosters good relationships with parents/guardians/carers and the College community.

## How to make a complaint with Emmaus College

A complaint is a formal expression of dissatisfaction with an action taken, decision made, service provided or handling of an issue by the College. The nature of complaints covered by this procedure is outlined in the College Complaints Handling Policy. The policy indicates also, which complaints are not covered by the policy and how these may be addressed.

Complaints can be raised by students, parents/guardians/carers or members of the College community. A complaint can be about an action taken, decision made, or services provided by the College, or the way in which the College has handled an issue. Also, It could be about the behaviour of College staff, volunteers, or contractors.

In the day to day running of a College, students, parents/guardians/carers also may have queries, concerns or areas for which clarification is sought. These matters do not constitute complaints, and the College encourages its employees to work collaboratively with students, parents/guardians/carers and members of the College community to resolve these matters informally with the wellbeing of the student at the centre of the matter. If resolution of the matter is not possible in this manner, then it may escalate to a complaint under the Complaint Handling Policy and this procedure.

## Who to contact

Where appropriate, and in the first instance, any concerns or queries are to be raised with a student's subject teacher or other relevant member of the College staff, including their Pastoral teacher or House Leader.

If a concern is unable to be resolved informally, then a complaint may then be raised with the Director of Students or Deputy Principal Students. Otherwise, it may be escalated to one of the other Deputy Principals or the College Principal.

If a concern is raised by an exchange student, about the host family then this must be referred to the Exchange Coordinator in the first instance.

Where a complaint is received, the College will ensure the staff member managing the complaint is someone other than the subject of the complaint.

Complaints can be submitted via either email, telephone or in-person meeting. Appropriate contact details are:

Parents/guardians/carers must not approach any other student in the care of the College to discuss an issue or to chastise them. Direct contact with other parents to resolve the matter is discouraged if the complaint relates to issues or incidents that have arisen at the College.

## What information to provide and matters to consider

In making a complaint, the College requests and expects that the complainant will:

- raise the concern or complaint as soon as possible after the issue has arisen
- be clear about the topic or issue to be discussed
- provide all the facts relating to the issues raised

## Role of Emmaus College

### Receipt of complaint

The College will record the details of all complaints, including the name and contact details of the persons making the complaint.

The College will acknowledge receipt of the complaint in writing within two school days.

Where possible, the College will provide indicative timelines relevant to the nature of the complaint and advise the complainant how the complaint will be addressed.

The College will refer the complaint to the most appropriate person to manage the complaint. If the complainant has not raised the issue with the relevant teacher, the College Principal may ask them to first discuss their complaint with the teacher, when it is appropriate to do so, before it progresses through this complaint's procedure.

To have matters managed fairly, the College will ensure the staff member addressing the complaint, is someone other than the subject of the complaint.

Complainants should be aware that employees, volunteers and contractors will be informed of formal complaints that are made about them in order to enable them to respond to the concern raised.

### Response to complaints

The staff member, to whom the complaint is referred, will contact the complainant to let them know they have been allocated to their complaint and the next steps in the process.

The staff member may communicate with the complainant to discuss the issues they have raised and to gain some further information. They may speak also to other staff or students, who may be able to provide relevant information.

If a complainant has a known vulnerability that has been communicated to the College,

College staff will seek to accommodate any cultural, financial, physical, mental or related vulnerabilities by putting relevant support in place.

The College will endeavour to complete any necessary information gathering and hold an initial meeting where appropriate within 10 working days of the complaint being raised. A meeting will be arranged to discuss the issues raised by the complainant and explore options for resolution.

If the matter remains unresolved following this meeting and further time is required to resolve the matter, the College will consult with the complainant and discuss any interim solutions to the concerns that can be put in place.

If the complainant and the College cannot achieve a mutually agreed outcome, the College Principal or someone appointed by them will write to the complainant providing a summary of the action taken by the College in response to their complaint and the College's position in response to the issues raised. This should occur within 20 working days from when the complaint was first received, however, depending on the complexity of the complaint, more time may be needed to gather enough information to fully understand the circumstances of the complaint. The College will provide updates throughout the process as appropriate.

If the scope of the complaint is beyond the capacity or jurisdiction of the College, the matter will be referred to the relevant regional general manager and the complainant will be informed of the referral and reasons for this decision. This may be required for complaints against the College Principal or where matters are unresolved by the College.

### College recordkeeping and privacy statement

The College will handle personal, sensitive and health information in accordance with the College's Privacy Policy, MACS requirements for recordkeeping, retention and disposal, and requirements under the Child Information Sharing Scheme and the Family Violence Information Sharing Scheme.

Privacy laws may prohibit information being provided to the complainant about any specific action taken in relation to individuals about whom a complaint has been raised.

The College will ensure that it will create, maintain, and dispose of records relevant to child safety and wellbeing in accordance with the policies and procedures for recordkeeping in MACS schools.
